Pernshire Wines

I would like to introduce a taste of something a little different to specially selected Old World Wines that I like to consume myself on various occasions.

These two wines from the Burgundy region of France each have flavours which work well with many of our dishes at Mr P' s, such as our ever changing 'Fish Du Jour' with the Macon and our seasonal game dishes or rich Charcuterie with the Bourgogne Pinot Noir.

I hope you enjoy a glass or, indeed, a bottle of something a little different!

Cheers!

Andrew Pen.
